PERSONALIZED SERVICES

SUSTAINABLE PACKAGING

*Made in Vancouver, BC, Canada since 1981.*

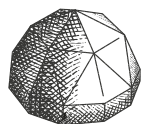

## ALL NATURAL INGREDIENTS

Our chocolates are 100% natural and totally free of preservatives, artificial colourings and tropical fats. We only use real cream, real fruits, and actual herbs and spices.

## MORE COCOA LESS SUGAR

We have reduced the sugar content in our chocolates by adding 100% pure fair-traded, organic cocoa mass. To our knowledge, we might have the lowest sugar content chocolates on the local market now.

## PERSONALIZED SERVICES

We offer the most flexible personalization services. You can have your chocolate amenities or minibar items personalized easily. You dream it, we make it!

## SUSTAINABLE PACKAGING

We attempt to source the most sustainable products available on the market and work with local suppliers who have set the same goals. Our packaging is made from renewable and eco-friendly sources in the U.S; and printed locally by F.S.C (Forestry Stewardship Council) certified printers. In shipping, we use biodegradable chips and F.S.C certified recyclable cardboard boxes provided by local suppliers in Vancouver.

In addition, we partner with One Tree Planted to have **one tree planted every day**, joining the effort of fighting deforestation in British Columbia.
